

MPTC Post Graduation Rifle Program

Municipal Police Training Committee

Agency Participation and Certification

Participation in the MPTC Post Graduation Rifle Program is optional for employing agencies.

Agencies may elect to:

1. Enroll their newly graduated officers in the MPTC 3 Day Recruit Rifle Program.
2. Conduct the required patrol rifle training internally through their respective agencies.

Agencies that elect to conduct their own patrol rifle training will be responsible for maintaining all applicable training, certification, and qualification records internally within their departments.

Required Lesson Plan and Training Modules

The following instructional components must be completed as part of the program:

1. ROC Rifle Classroom Presentation

- Required MPTC ROC Rifle Classroom PowerPoint.
- Classroom material may be delivered throughout the three day program rather than as a single instructional block.
- All required learning objectives and instructional content must be covered.

2. MPTC 3 Day Recruit Rifle Curriculum

- Complete all required modules contained in the current MPTC 3 Day Recruit Rifle Curriculum.
- Conduct all required practical skills and live fire exercises.
- Ensure all required skills assessments are completed.

3. Rifle Qualification Course

- Administer the current MPTC Patrol Rifle Qualification Course.
- Officers must achieve the established minimum passing score.
- All required qualification and skills assessments must be documented.
